

## 42210 BANFF II

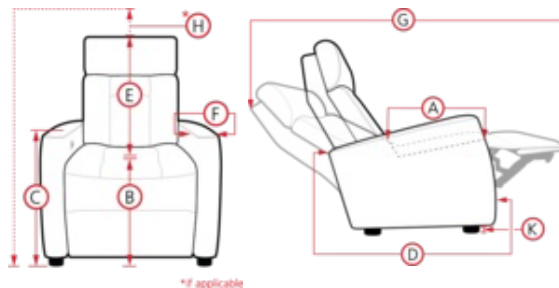

The clean-lined Banff II collection was designed to offer ergonomic comfort. Inspired by Scandinavian design, it features refined top-stitching details throughout, highlighting the contemporary appeal. A sophisticated pull on the back cushion disperses padding and comfort through the multi-density foam seat and back cushions, accentuating the ergonomic design. The bucket seat design offers ergonomic support, with multi-density foam at its core to provide years of seating enjoyment. Banff II's contemporary profile is offset by graceful, curving arms, giving this European-inspired design a serene elegance. The Banff II collection is available in a wide assortment of reclining functions, sofa groups and sectional pieces for maximized convenience. A perfect blend of simplicity and polish, it is an ideal choice for both transitional and modern interiors.
